Brothers,

As we move into this next semester and beyond, your Communications team is in need of volunteers to serve as your Chapter’s Liaison and help us collect information! If you are interested in serving in this capacity, please contact me at my email: SERDComm@phideltachi.org

Below is a table of current liaisons for the Southeast region as well as a list of the Chapters who we need volunteers for. No experience is required. Even if someone is currently serving for your Chapter, we always appreciate extra help. AAAE!

James Winslow, SE Regional Director for Communications

St. Jude Philanthropy Updates

As we all know, St. Jude Children’s Research Hospital is Phi Delta Chi’s official philanthropy. Starting this year, we will be streamlining the donation process with online donation portals for each Chapter and for every individual. You should have received an email about how to set up your own donation page from the national office. In short, here’s how:

- Go to www.stjude.org/events
- Click “Find an Event”
- Search “PDC” and find your Chapter
- Click “Register”
- Register as an individual
- Set your own fundraising goal and start fundraising!

Phi Delta Chi Needs Assessment Survey Results

Brothers, you should have received an email from the Phi Delta Chi National Office with information about the 2018 Needs Assessment Survey. This is a crucial tool for this Fraternity so that we may continue to provide for our Brothers and encourage everyone to be Brothers For Life. Here is some of the information this survey has given us so far!

Attending the Southeast Regional Conference? Want to serve Phi Delta Chi and your fellow Brothers? Apply online and run for the position of Southeast Regional Correspondent. Application and more details can be found at www.phideltachi.org!
