PODCAST: Use of the Electrodiagnostic EPA for Competency Assessment in PM&R Training Programs

In November 2019, the AJPM&R Journal Club podcast featured Heather Baer, MD on her study published in the January 2020 issue of the American Journal of Physical Medicine & Rehabilitation: “Use of the electrodiagnostic entrustable professional activity for competency assessment in Physical Medicine and Rehabilitation training programs.” Learn more about PM&R’s entrustable professional activities (EPAs) and observable practice areas (OPAs) and how you can use these tools in education and patient care.
