

Presentation Opportunities – position your company as a leader in the specialty of PM&R

INDUSTRY FORUMS - \$20,000-30,000

Industry Forums offer an opportunity to provide education on a topic related to a disease state, research findings, product, service, or to build your corporate brand. Sessions can target practitioners, residents/fellows, or both. All sessions are open to registered meeting attendees free of charge. Breakfast or lunch is provided by AAP for all Industry Forum attendees during a 60 minute presentation.

Thursday Breakfast Forum (2 available) \$20,000

7:00-8:00am | February 21 | 75 seating limit

Thursday Lunch Forum (2 available) \$30,000

12:00-1:00pm | February 21 | 125 seating limit

Friday Breakfast Forum (2 available) \$20,000

7:00-8:00am | February 21 | 75 seating limit

Friday Lunch Forum (2 available) \$30,000

12:00-1:00pm | February 21 | 125 seating limit

Hosts Receive the Following:

- Complimentary session meeting space (room designated by AAP) to include speaker podium and 8' table with 2 chairs
- Complimentary standard AV (one projection screen, one laptop computer if requested, one LCD projector, one lavalier microphone, one wireless slide advancer with laser pointer). Additional AV needs can be arranged at the expense of the host.
- Complimentary listing on the AAP website, itinerary planner, and conference app
- Complimentary listing in the printed Final Program
- Complimentary eBlast invitation to AAP attendees
- Complimentary preregistered attendee list for your company's targeted mailing
- Session information on signage at Annual Meeting
- Additional benefits as provided by support recognition level

PRODUCT AND PRESENTATION THEATER (4 AVAILABLE) - \$10,000

Sponsor an informational, 30 minute education demonstration or small group presentation within a designated area in the Exhibit Hall. The space will have a presentation stage and theatre seating limited to 50 individuals. Available only during exhibit hall lunch hours in 30 minute blocks of time. Two (2) consecutive blocks of time can be secured for \$20,000. The stage schedule will be posted within the exhibit hall and in the Final Program and App.

APPLICATION & RULES

The AAP offers companies the opportunity to provide educational (CME or non-CME) or product information sessions at *Physiatry '19* – the AAP Annual Meeting by sponsoring an Industry Forum or product theater. Companies interested in hosting an industry forum or product theater must complete this application, submit it to the AAP, and agree to adhere to AAP's rules. The AAP will review the proposal within 3 working days of receipt and grant an approval determination. If your company chooses to offer a CME session (forum only, not product theater), please note that AAP does not provide CME credits for forums, CME must be offered by an outside provider.
