2019 Washington Scholarship

YOUR SUCCESS IS OUR FUTURE

Deadline May 1, 2019

☐ CIC *Please select Scholarship Choice* ☐ CISR

The PIA of Washington Annual CIC & CISR Scholarship programs are part of our continuing education commitment to career-minded insurance professionals needing assistance to begin their CIC or CISR education. It is our belief that true professionals never stop learning and that the best insurance professionals make a career commitment to their own growth.

The PIA in conjunction with The National Alliance grants five scholarships for each program every year. The scholarships cover the registration fee for a single CIC or CISR course of their choice in Washington from May 1, 2019 to June 1, 2020

The selection of the scholarship recipient is made by the CIC/CISR Advisory Committee on the basis of the following information:

- The nominee must be a full-time insurance professional.
- The nominee should demonstrate an interest in and commitment to professional continuing education.

Scholarships may not be used for designation updates or for CE purposes only. Recipients must plan on taking the exam and continuing through the program.

NOTE: Individuals wanting scholarships may apply for themselves. You do not need an outside party to be nominated. Please fax completed form to PIA at 360-571-7600 or email Pam Busch at pambusch@piawest.com
