

**Webinars with the PIA are the easiest way for you to maintain the required CE hours without leaving your office.**

The PIA has partnered with the Florida School of Insurance to bring you the best of high quality instruction with the convenience of online, real time interaction with the instructor. It's the next best thing to actually being in the classroom.

Learn more about all our webinars at [www.piawest.com](http://www.piawest.com) under the Education tab. Pay close attention to the states CE is valid in as no all webinars are valid in all states.
