## CALLING PLANNERS!

PHRA offers HR practitioners and business leaders a unique opportunity to participate in a conference that brings together thought-provoking keynotes, relevant concurrent sessions and useful resource partners. The committee also collaborates with a wide range of business and community leaders to identify outstanding practices, coordinate educational outreach and foster support for the Engaging Pittsburgh initiative. This committee expands professional boundaries by planning special events like the annual golf outing and holiday social. There are many opportunities for planners, doers, short and long-term commitments..
