

Dear PLTA Member:

The Pennsylvania Land Title Association (PLTA) Political Action Committee (PAC) is a nonpartisan PAC which represents the interests of the land title industry within the Commonwealth. It is tasked to raise funds to support candidates for the state legislature and other offices within the Commonwealth who are in favor of advancing PLTA positions.

We have had success in our goals, as a bi-partisan PAC, providing representation of the interests of the land title industry within the Commonwealth of Pennsylvania. As you know, there are various regulatory and legislative issues that could affect the land title industry such as predictable recording fees, attorney opinion letters, and the sunseting of the Validating Act, just to name a few. We've already seen the benefits of our efforts in past Sessions by getting Remote Online Notarization legislation passed and becoming a visible resource to members of our legislature.

By law, corporations and trade associations cannot contribute to anyone seeking political office or to political parties. However, people can. PACs allow individuals with common interests—PLTA members, for example—to pool their resources and directly support candidates of interest to our industry. PACs are the most legal, transparent, state and federally monitored form of engagement in the political process.

As a member of PLTA, you can make a difference by providing your financial support. Information on [how to donate is on our website](#), or please feel free contact the PLTA offices or Alex Rahn, Treasurer, at 484-574-9445 or arahn@axadvocacy.com for more information.

Sincerely,

Dan Herdman
Chairman, PLTA PAC
