Tuesday, September 22, 2020
9:30am – 11:30am

This Course is only being offered as a Webinar

This Webinar is accredited for 2 PA/NJ CE and/or PA/NJ CLE Credits

Course Description: Pennsylvania’s Mechanics’ Lien Law has been called a “crazy-quilt of laws”, an “antiquated patchwork of statutory enactments” and a “roller-coaster ride in the last 10 years.” If there was ever a subject matter which cried out for education, this is it! Get the answers to such questions as “who can file a lien”, “when can a lien right be waived?”, “what is the priority of a mechanic lien” and “when is it safe to give mechanic lien coverage?” Hear from the experts and walk away with a mechanic lien primer you can rely on.
