
Please find the following explanations. There are three options for proving remote services:

1. Telephone E/M
2. Online Digital E/M
3. Yesterday (3.17.2020) CMS announced we can use our regular office E/M codes when providing those services remotely for Medicare Part B patients

#3 is by far the best and pays the best.
There are guidelines for coding and compliance for each.

A webinar that explains #1 and #2:  https://www.apma.org/News/NewsDetail.cfm?ItemNumber=39818&

Yesterday’s (3.17.2020) update that explains #3:  https://www.apma.org/PracticingDPMs/content.cfm?ItemNumber=39847
A video that summarizes all three:  https://www.youtube.com/watch?v=0osc85CfMgU
