AGREEMENT TO COMPLY WITH PGA SCREENER POLICY

FUTURE SCREENERS WILL NOT BE SENT TO YOU UNLESS THE PGA RECEIVES THIS SIGNED AGREEMENT.

PLEASE NOTE:
This document constitutes a significant and binding agreement between you and the Producers Guild.
Please do not sign it without having read it personally and agreeing to all its terms.
Your previous agreement, if any, is no longer valid.

As a member in good standing of the Producers Guild of America, I wish to receive “screener” copies of motion pictures and programs provided to PGA members for award consideration.

I understand that my receipt of such copies does not convey to me any of the underlying intellectual property rights to the motion pictures and programs involved, and that each screener, provided to me in either physical or digital form, will remain the property of the company that supplied it.

I agree to ensure that I know, at all times, the whereabouts of all material sent to me under this agreement. I agree not to allow the copies to circulate outside my residence or office. I agree not to allow them to be reproduced in any fashion, and not to sell them, to loan them, or to give them away at any time.

If at some point following the relevant awards season I wish to dispose of some or all of the material I have received, I agree to do so by destroying the screener, provided to me in either physical or digital form, in a manner that prevents its recovery and reuse by any third party. I agree that any violation of this agreement may constitute grounds for discipline, including censure, suspension or expulsion from the Producers Guild of America, and may also result in civil and criminal penalties, and that the owners of the rights in the works I receive are third party beneficiaries of this agreement with the rights to enforce it.
