When Did You Last Open Your Phone Book?

It's Time to Opt Out!

Getting a phone book you don't use is equal to burning **8.8 pounds of coal—** for no reason.

Opt Out in Just 3 Minutes

1

Visit yellowpagesoptout.com, enter your zip code, & create an account.

2

Click "Opt out of or order directories," and select the specific phone books and junk mail you don't want on your doorstep.

3

Press "Save Changes." **It's Easy!**
