

**American Institute of Constructors**  
**Constructor Certification Commission Document No. 32**

**Non-Disclosure Statement for the Scoring of Level I (AC) Certification  
Examination Writing Skills Questions**

**Explanatory Note** – This form would have to be signed by anyone participating in the scoring of Level I (AC) certification examination written communication questions. Specifically it would be used by the Examination Committee Writing Skills Scoring Subcommittee and only CPCs can participate in the scoring process.

This form is to be signed by anyone participating in the scoring of Level I (AC) certification examination written communication questions.

I \_\_\_\_\_ (Print Name) agree **not** to disclose to candidates, third parties or anyone in the construction industry any questions that I have scored for the Level I Constructor Certification Commission certification examination.

Security of the questions is of the greatest importance to the integrity of the examination process. If questions were to become known to candidates, the purpose of the examination would be defeated. Hence, security shall be maintained during the examination scoring process.

This agreement commits me to maintaining the confidentiality and security of the examination questions. Therefore question scorers agree that they have not trained candidates in preparation to take the certification examination in the previous two year period from the below noted date.

Please provide your AC or CPC certification number \_\_\_\_\_
