Dear Sir/Madam:

On February 4, 2015, the Pennsylvania Department of State, Bureau of Professional and Occupational Affairs (which includes all the health licensing boards listed below), began an electronic process through a secure, encrypted website which allows individuals holding licensure in the Commonwealth of Pennsylvania to request Verification/Certification of Licensure to another licensing authority.

To request a Verification/Certification of Licensure from any of these boards through our secure electronic process to an email address or resource account for another state licensing authority, the Bureau of Professional and Occupational Affairs is requesting that you process your request through the link on our website at www.mylicense.state.pa.us. Therefore, your paper request and fee (if provided) is being returned to you.

Completing your request for Verification/Certification of Licensure through our website will provide you with an expedited process of verifying your license to another licensing authority. Most verification requests are processed and emailed to the licensing authority you choose within 24-48 hours. This eliminates the need for potential delays in processing paper requests and the need to wait for the verification documents to be mailed, as well.

Please note that you will only be able to request a Verification/Certification of Licensure to the states or territories listed in the dropdown/choices available for your Board. We do not send Verification/Certification of Licensure documents to any other agencies, facilities, non-licensing authorities, individuals, licensees, etc.

Thank you for your cooperation as the Bureau of Professional and Occupational Affairs works to give our licensee's 24/7 secure access to forms, products and services while reducing processing times and operating costs.

Sincerely,

State Board of Chiropractic
State Board of Dentistry
State Board of Massage Therapy
State Board of Medicine
State Board of Nursing Home Administrators
State Board of Occupational Therapy
State Board of Optometry
State Board of Osteopathic Medicine
State Board of Pharmacy
State Board of Physical Therapy
State Board of Podiatry
State Board of Psychology
State Board of Social Workers, Marriage & Family Therapists & Professional Counselors
State Board of Speech-Language Pathology & Audiology
