Psi Chi's Network for International Collaborative Exchange (NICE)

invites you to submit a research proposal for cross-cultural studies!

The NICE is concerned with facilitation of cross-cultural research amongst Psi Chi members and other researchers both nationally and internationally. A subcomponent of NICE, NICE: CROWD, will include a short list of research questions, with the goal of generating data from many locations using the same research protocol. CROWD offers a plethora of benefits to researchers such as: reducing the burden of having to solicit large numbers of participants, increasing the diversity of study samples, providing researchers accessible materials and protocols, and providing a convenient platform for faculty to engage students in the scientific research process!

Members of underrepresented groups are strongly encouraged to apply.
You can submit a research question to NICE: Crowd by following these steps:

1. Come up with a cross-cultural research question you would like to see answered!
2. Create an Open Science Framework (OSF) account—this is the hub for all things NICE! (**Note**: if your country does not allow access to OSF, you are still welcome to submit a completed pre-registration template via email!)
    a. https://osf.io/register/
    b. Signing up just requires providing a name, e-mail address, and a password for your OSF account.
    c. Email the NICE chair with your interest in applying to NICE: Crowd with your OSF username
    d. NICE will add you to our main OSF page.
3. Fill out the word document version of the OSF pre-registration template.
    a. Head to the NICE: Crowd OSF page at https://osf.io/4ct72/
    b. Under the NICE: Crowd component storage there is a file labeled pre-registration template
    c. Download the word document found ***HERE.***
    d. Fill out the pre-registration template and compile materials (e.g., surveys, questionnaires, software) you will be using for your study.
4. Share your proposal with us!
    a. Email the completed pre-registration template with compiled materials to the 2023–24 NICE Chair Brianna Fitapelli via e-mail to nicechair@psichi.org.

Proposals are due July 31, 2023!
Please contact Brianna Fitapelli at nicechair@psichi.org or John Edlund at jeegsh@rit.edu with any questions. From getting set up with the OSF, to filling out the pre-registration template, to moral support—we are here to help!
