Dress them up or dress them down, these cool black and white seal socks are the way to go. Purchase now through the Psi Chi Store.

LIVE EVENT BY ALLIANT

I/O Psychology Webinar: Cross-Cultural Teams
High performing teams happen by design, not accident. They are structured, informed, competent, and intradependent. During this event presented by CSPP Alliant International University, Dr. Kasia Fuiks will facilitate a discussion on cultural norms and their proximity in high performing teams utilizing research and personal narratives. Learn more and RSVP today.

ADVERTISEMENTS

Liability Insurance for Psychology Students
Start the school year on the right foot by protecting your education and future career. You risk potential legal action every time you provide psychological services—even in training. Get liability coverage for only $35 a year. Visit HERE.

PSYCHOLOGY HAS ANSWERS

For the 2020–21 year, we explored how Psychological Science Has Answers to many of our biggest questions regarding contemporary events and bettering our lives. Whether fostering student resilience
or engaging with people who don’t share our views—psychology can help us to develop new skills and bring people together.

What psychology research findings have you applied to your personal life? Share your story on social media with #PsychHasAnswers or submit to our blog.

CONDUCTING RESEARCH

Develop Your Research Interest Into a Collaborative Project!
Students and faculty, Psi Chi is actively seeking research proposals for the 2021–22 cross-cultural Psi Chi CROWD Project. Proposals are due July 31.
