DATE: September 6  
TO: Advisors and Officers  
SUBJECT: The Search Begins for Psi Chi’s Next Executive Director

The Search Begins for Psi Chi’s Next Executive Director  
+ Three Other Full-Time Job Opportunities
Applications are officially open for Psi Chi Executive Director and three other full-time positions. The Executive Director implements Psi Chi’s strategic plan, oversees headquarters staff, and serves as an ex officio member of the Board of Directors. Applications for this position are due Oct. 1, and the projected start date is July 1, 2023.

Visit HERE to review responsibilities, benefits, and compensation details for this position, as well as the three other exciting opportunities:
- Director of Membership Services
- Director of Development
- Social Media Community Manager

“Any psychologist interested in having a broad impact on the field, psychology students and faculty, global initiatives, diversity, and excellence in psychological research should apply. I look forward to seeing how the Society grows under our next leader!”

—Martha S. Zlokovich, PhD  
Executive Director, 2008–present
LIVE EVENT

Internationalize Your Teaching and Learning in Psychology!
Join Dr. Susan Nolan for a live webinar to uncover strategies that will enhance your classrooms with consideration of global events, international research and researchers, and applications of psychology to social change. September 8 at 2 p.m. EST. Spaces are limited, so register today!

GRANTS

Professional Development Grants for Teachers of Psychology
Calling all Psi Chi members who are teachers of psychology! Apply for funding for a variety of teaching-related expenses. Deadline: October 31. Learn more.

Membership Assistance Fund Renewed for 2022–23
As Psi Chi begins its 93rd year, one hundred free memberships are once again available to support students who demonstrate financial need. Advisors may request up to two fee waivers per chapter. See complete details.

Note. Pictured above are first-ever recipients of the Professional Development Grants for Teachers of Psychology (from left): Drs. Jeffrey D. Bowen, Elizabeth Campbell, and Jillian Dawes.
