DATE: July 5
TO: Advisors and Officers
SUBJECT: Receive Funds for Enriching Chapter Events

Receive Funds for Enriching Chapter Events

Spread the word to your incoming chapter leaders about Psi Chi Chapter Activity Grants. Each fall, these grants provide numerous chapters with up to $750 each so that they can host student-organized events that would not otherwise be possible.

Complete your chapter’s application by Sept. 20 to be eligible for funds to host any number of enriching psychology-related events. Examples include guest speaker series, local conferences, research method workshops, or panel discussions. Best wishes to all applicants!

Note. Shown above is a career exploration event at Marywood University, which was made possible by a 2022–23 Chapter Activity Grant.

RESEARCH

Seeking Research Experience for Your Chapter?
Collaborate on the Seventh Annual NICE Crowd Project
Psi Chi’s annual cross-cultural research project is gearing up for another successful year! Proposals for this year’s project are due July 31, and the annual project will be announced soon after!

Chapter leaders: You won’t find a better opportunity to gain hands-on research experience—from data collection to publication opportunities. Psi Chi will provide the protocol, example IRB, and support throughout. Share your interest in joining with incoming NICE Chair Brianna Fitapelli.

See You This August in Washington, DC!
Attending APA 2023? Network with Psi Chi members at these three special events:
- Meet Psi Chi’s two newest Distinguished Members, Drs. Martha Zlokovich and Paul Hettich.
- Congratulate Psi Chi award recipients at the CABE Reception and Awards Ceremony.
- Learn about “Integrating Mental Health Advocacy Across the Undergraduate Curriculum” with Drs. Shawn Charlton and Jennifer Grewe.
See Psi Chi’s full program for APA.
