That’s What Psi Chi Friends Are For!

As the fall semester of Psi Chi’s 94th year begins, now is the time to dream big for your local chapter. Would you like to bring in a big-name speaker, host a student conference, or even educate your entire college about mental health? The first step to achieving goals like these is to build up your chapter community of likeminded professionals in psychology.

This September, see our Chapter Recruitment Resources for links, template letters, and ideas to induct as many members as possible for the academic year ahead. Sharing passions, completing group activities, and creating a lasting professional community and memories—that’s what Psi Chi friends are for!

*Note.* Shown above are University of West Florida members during their chapter-sponsored trip to the 2023 SEPA Convention in New Orleans, LA.
Call for Committee Members
Please nominate yourself or another faculty colleague to serve on the Psi Chi Nominations/Elections Committee. Responsibilities for this one-year position include considering the qualifications of all candidates for the Psi Chi Board of Director positions. Nominees must be members of Psi Chi, and they cannot have served on the Committee last year or currently be serving on the Board. Deadline: Sept. 30. Submit your nomination (students, ask your chapter advisor to do this on your behalf) to Committee Chair, Past-President Dr. Merry Sleigh, at pastpresident@psichi.org.

Chapter Voting on Constitution Changes
The Sept. 30 deadline approaches to submit your chapter’s vote on proposed changes about modifying a nominations deadline for Board of Directors nominees. View a comparison of the current and proposed changes. These changes were unanimously recommended by the Board, and no letters of opposition from Psi Chi members were received this summer. Once your chapter meets to vote on this change, ask your advisor to place the chapter’s official vote.

MARK YOUR CALENDAR

- **Psi Chi Giving Day**—Celebrate now through Sept. 19
  Show your support for Psi Chi’s future leaders.

- **Chapter Activity Grants**—Apply by Sept. 20
  Receive up to $750 for a student-organized event.
