DATE: January 9, 2023  
TO: Advisors and officers  
SUBJECT: How Well Do You Know Psi Chi?

*Chapter Reminder:* Advisors, please [update all new officers online](#) to provide them with [officer admin access](#) and special content from Psi Chi Headquarters.

---

**How Well Do You Know Psi Chi?**
Test your Psi Chi knowledge with a [new interactive quiz](#). Can you answer every question correctly?

[TAKE THE QUIZ ⬅️]

[SEE THE ANSWER SHEET ➤️]

Special thanks to [Dr. Merry Sleigh](#) for developing this quiz. As 2024 begins, we hope it will serve as a useful refresher on all things Psi Chi.

Headquarters Staff and Psi Chi Board members wish you a productive, meaningful, and joyous semester. Happy New Year!

---

**CHAPTER DEADLINES**
Pie for a Purpose Gift Cards: January 15
Is your chapter planning to participate this spring in Psi Chi’s Pie for a Purpose Global Service Project to support mental health? Sign up here by January 15 for a chance to receive one of five $25 Amazon gift cards.

Society Elections Open January 15–February 15
An email on January 15 will contain links to review position statements for our 2024–25 Board of Directors candidates. Please plan a meeting to place your chapter’s vote. Thank you for helping shape the future of Psi Chi!

Model Chapter Award: Due May 15
Does your chapter (a) induct members, (b) hold regular meetings, and (c) vote in Psi Chi elections? If so, you are already closer than you might think toward eligibility for a $100 Model Chapter Award. See full details.

RESEARCH OPPORTUNITIES

Join Psi Chi’s NICE Crowd Research Project
Undergraduates, graduate students, and faculty are invited to get involved in Psi Chi’s latest NICE Crowd research project: The Relationship Between Cultural Dimensions and Perceptions of Victimization by Teachers. See the full IRB protocol and other materials and email nicechair@psichi.org by March 15 to express your interest.

Review for Psi Chi Journal
Are you passionate about educating others on conducting and reporting quality empirical research? Psi Chi Journal is seeking doctoral-level reviewers like you to provide constructive feedback for our student and faculty authors. Thank you for your time and support!
Intensive, Funded Summer Research Experience Working With Children
Ohio University researchers are recruiting students for an 8-week NSF-funded Research Experience for Undergraduates. Students engage in research for children with social, emotional, and behavioral problems; conduct a mentored, publishable project; and gain professional development skills.
