SUBJECT: Psi Chi Takes Great Strides to Diversify Psychology

Psi Chi Takes Great Strides to Diversify Psychology

You are invited to explore the latest **Psi Chi Annual Report!** Within its pages, you'll uncover many members' remarkable accomplishments to advance and diversify psychology through Psi Chi.

[DOWNLOAD THE REPORT](#) 

In the wise words of Psi Chi Distinguished Member Dr. Antonio Puente: "A psychology that represents those in a position of power only is a psychology doomed to fail." This special report describes Dr. Melanie M. Domenech Rodríguez's Presidential Diversity Initiative, which was established to make psychology open and welcoming to all human beings.

Our report may also give you ideas of ways to stay involved in Psi Chi. We are fortunate to have lifetime members like you!
