SUBJECT: Student Leader Opportunities!

Student Leader Opportunities!

Each year, thousands of Psi Chi members become chapter officers in order to develop resumé-worthy skills and relationships with psychology advisors and other officers. Psi Chi suggests [17 possible officer roles](#) that provide a wide range of skill-building opportunities. Email your local advisor or officer team to share your interest in becoming a chapter leader during the 2020–21 school year.

FEATURED LEADERSHIP ROLES

NEW: HelpHelpedMe Officer

Due to new stressors created by COVID-19, the Psi Chi Central Office is encouraging all chapters to institute a new [HelpHelpedMe Officer position](#). This important new role will compile and maintain a list of mental health and related resources on your campus and in your community. See [suggested responsibilities and benefits](#), and volunteer for this special opportunity!

Become a Psi Chi CROWD Contributor

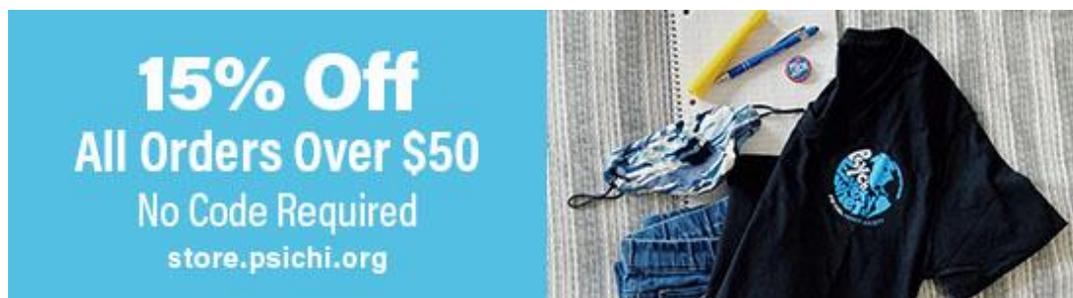

The third annual collaborative [CROWD research project](#) is now seeking student and faculty contributors to collect data at their institutions. This year's project is "[Beliefs and Coping With COVID-19.](#)" If interested, contact [Mary Moussa Rogers](#).
