

PSI CHI THE INTERNATIONAL HONOR SOCIETY IN PSYCHOLOGY

DATE: March 19

TO: advisors (and other faculty members if possible)

SUBJECT: Online Teaching Resources for Your Classes

The health and safety of the Psi Chi community is our highest priority during the COVID-19 global outbreak.

Please know we are here to support you. Reach out to membership@psichi.org if you need information on how best to cope with this ever-changing situation.

To help transition your classes to an online-only format, Psi Chi offers many free online resources that you can use in your classes as you teach remotely. This special announcement presents psychology content you can use to supplement your teaching and timely tips relevant to your students.

Prerecorded Webinars

- [Leading Difficult Organizational Transitions](#)
- [Microaggressions](#)
- [No Statistics Are Objective: The Intersection of Quantitative Methods and Diversity](#)
- [The Process of Publishing](#)
- [Maximize Your Research Potential: The Importance of Working With the Right Mentor](#)
- [NICE Projects Webinar](#)
- [Applying Social Justice Principles and Strategies](#)

Tip: Subscription based resources are generally only free to Psi Chi members. To help support online classes working remotely, we are making all subscriptions resources available for free to everyone. For the next few months, the nonmember access fee of \$20 is waived as we navigate this ever-changing situation together.
