## MISSION STATEMENT

*recognizing and promoting **excellence**
*in the science and application of **psychology***

## GOALS

### Scholarly Pursuits

- Encouraging members to conduct exemplary research, disseminate and apply research findings, and maintain a lifelong interest in exploring the field of psychology.
- [e.g., apply for an undergraduate research grant or award, or invite an educational speaker]
- 1.
- 2.
- 3.
- 4.

### Member Development

- Providing information and opportunities to enhance members’ professional and personal lives.
- [e.g., host a career/grad school panel, or attend/present at a convention]
- 1.
- 2.
- 3.
- 4.

### Chapter Experiences

- Fostering a vibrant and meaningful environment for chapters and all members to contribute to and benefit from continued engagement.
- [e.g., provide social gatherings, recruitment and fund-raising events, or a community service project]
- 1.
- 2.
- 3.
- 4.
