International Director – Part-time opening with Psi Chi, the International Honor Society in Psychology. The Board of Directors of Psi Chi, the International Honor Society in Psychology, seeks applications for a new International Director (ID). The ID will serve Chair of the International Advisory Committee (IAC) from his or her home institution in a part-time capacity. Doctorate required.

The ID leads the IAC in fulfilling the committee’s goals and describes IAC activities in biannual reports submitted to the ED for Board meetings. In the past, the Chair of the IAC led the committee and submitted reports.

- This is a new position comparable to Psi Chi’s Research Director and Diversity Director positions.
- As current IAC members complete their terms, the ID may reappoint them or appoint new members according to IAC guidelines.
- The ID supports Psi Chi’s overall mission “recognizing and promoting excellence in the science and application of psychology” through IAC activities.
- The role of the IAC is to:
  - develop alliances for the benefit of Psi Chi members with internationally-focused psychology organizations such as Division 52, APA’s Office of International Affairs, and Committee on International Relations in Psychology;
  - connect with and support members in chapters outside the US 50 states,
  - assist the Board and staff with promoting growth of Psi Chi globally through international charters and members
  - support the Board’s six Vice Presidents as they plan sessions that relate to international issues in their Psi Chi programming at the six regional meetings
  - identify Psi Chi Ambassadors and the most cost-effective means of promoting Psi Chi,
  - represent Psi Chi at international conferences, and
  - propose international grants and awards to the Board.
- This part-time appointment includes a $2,000 annual stipend (paid quarterly) and $5,000 annually to support the promotion of Psi Chi international initiatives, including ID/IAC member travel for that purpose.
- The appointment is for a three-year term, renewable up to three times; however,
  - the first appointment will be for an additional half year starting January 2020 and
  - include half the annual stipend and funding.
  - The outgoing Chair of the IAC has committed to facilitating the transition and continuing to serve as a member of the IAC.

To apply, submit a cover letter, three reference letters, and vitae to Dr. Martha S. Zlokovich at martha.zlokovich@psichi.org. Deadline December 31, 2019; applications accepted until position is filled.
