REMO ATTENDEE USER GUIDE

We will be using the networking platform Remo for the Welcome Reception, Poster Sessions, Coffee Chats, Saturday Reception, and some Affiliate Sessions.

PRIOR TO THE EVENT

You will need to create a login to access the events. It’s free- click here for a quick tutorial. It is recommended that you use Google Chrome, Safari, or Firefox and test your camera, mic, and sound prior to the break. We encourage you complete all info in your profile and add a picture.

TABLES

Below is an example of one of the floorplans you will see once you are logged in. You will appear as a circle at one of the tables.

IMPORTANT: You will be dropped into a random table when you enter the event. You appear as a circle at one of the table seats. Double click on a table to move from one to the other and clock on the floors on the left of the screen to move to a different floor.

Each time you click on a table you will be placed into a video chat with the other attendees at that table. There are additional tables you can visit on other floors by using the elevator on the left-hand side.

Make sure you allow your browser to access your camera and microphone!
POSTER SESSIONS

If you are attending a Poster Session, please note that each Poster Session has been divided into three Poster Halls. To jump around from one Poster Hall to the next, simply click on the ‘Events’ drop-down arrow located at the top of your screen.

CHAT

Click on the chat feature at the bottom of your screen to send private messages to individuals, share public messages with everyone seated at your table, or to chat with everyone who is currently present in the Poster Session. The chat feature can also be used to share documents/handouts with your table or with all Poster Session attendees.

HELPFUL TIPS

- Make sure your camera is on upon entering the event, so you are ready to participate in conversations right away.
- Click on the compass icon above the “Need Help” bubble to locate yourself on the floor plan.
- Click on “Tile View” to see your table participants’ videos in a larger size, and “Floor View” to see the videos in a smaller size across the top with the floor plan in view.
- If you click on the carrot next to the camera button, you can change your virtual background.
- You can zoom in and out to see the table names better by using the wheel on your mouse or pressing Ctrl+ the (+) or (-) keys on your keyboard.
- You can share your screen with other attendees at your table by clicking on the “share” icon at the bottom of the screen. If you are viewing a shared screen, click “maximize screen” for optimal viewing.

IF YOU NEED HELP

The PS Help Desk will be staffed to answer questions you have about navigating the floor plan or questions about the PS events held in Remo. For technical issues specific to the platform, Remo tech support is standing by.
