Preface

Dear Colleagues,

The members of the Conference Program Planning Committee and Local Organizing Committee warmly welcome you to the 53rd International Annual Meeting of the Society for Psychotherapy Research (SPR), either in-person in Denver or online.

Denver, which is also called the Mile High City, is known for its art, culture, food, world famous breweries, music, and sports. Located in the Rocky Mountain region, urban sophistication meets outdoor adventure. This orientation transfers wonderfully to this year's SPR meeting, with the theme “How, when, and why do people change: The rise of data-informed psychotherapy”.

On behalf of the Conference Program Planning Committee, we would like to thank you all for the submission of Panels, Brief Papers, Structured Discussions, Posters, and Pre-Conference Workshops. In line with the current crises in the world, this year we are experiencing the first hybrid SPR meeting, where we had to fit the excellent submissions into a program that had to accommodate different time zones of presenters around the globe. We hope that we succeeded in this task and contributed to an improved inclusiveness of the event. All pre-recorded and livestreamed sessions (livestreamed from Denver or all over the world) will be available to our global audience through the interactive online event platform myOnvent known from the last year's meeting. Our host site in Denver is at the beautiful University of Denver – 125 grassy, sun-kissed acres just minutes from downtown Denver. The conference will be held at Sturm Hall and the Community Commons.

The conference begins on Wednesday, July 6, with four Pre-Conference Workshops in the morning (09:00–12:00) and three in the afternoon (13:00–16:00). The Editors Meeting takes place at 13:00–16:00, followed by the Welcome Ceremony including the Presidential Address by Shelley McMain and the Awards Ceremony at 16:30, and the Welcome Dinner at 19:00. All times are given in Denver time zone: Mountain Daylight Time (MDT).

On Thursday, July 7, and Friday, July 8, we have four early sessions at 06:00, respectively, to ensure that international online participants can present at a time that is appropriate in their time zone. Panels, Brief Paper Sessions, Semi-Plenaries, and Structured Discussions will take place 08:30–19:15 on Thursday, 08:30–17:30 on Friday, and 08:30–16:30 on Saturday. The poster session is on Friday at 17:30–18:30. You can also explore all posters online in our virtual poster hall in myOnvent throughout the conference.

Throughout the whole conference, we will have several high-profile semi-plenaries and a large number of structured discussions, which reflect the theme of the conference excellently and which you do not want to miss. We would like to highlight just a few of them as examples:

We will have a structured discussion entitled “Future Challenges in Psychotherapy Research” on Thursday at 08:30–10:00; three semi-plenaries on Friday at 10:15–11:45 on “Using Computerized Video, Audio and Text Analyses to Advance Psychotherapy Research”, “Therapist Effects: Lessons Learned, Innovative Approaches, and Future Steps”, and “The Future of Feedback”; two semi-plenaries on Friday at 14:15–15:45 with the titles “The Technological Revolution in Psychotherapy Research: Novel Tools for Uncovering Processes and Bolstering Clinical Performance” and “How to Personalize Treatment to the Individual? The State of the Art and Beyond?; two semi-plenaries on Saturday at 10:15–11:45 on “Data-Informed Psychotherapy and Underserved Populations: Questions, Challenges, and Future Directions” and on “Personalization in Psychotherapy: Going Beyond Treatment Selection”; and many more excellent panels.
Chapter Meetings will take place on Thursday during lunchtime at 12:00–13:00 (NA and UK) and at 13:00–14:00 (LA and EU).

The Past Presidents Lunch is scheduled for Friday, 12:00-13:00, while at the same time the Student Member Meeting “Coffee with Researchers” will be held online. The General Business Meeting takes place on Friday, 13:05–14:05. At 16:00–17:00, the Address by 2021 Marna Barrett Award for Excellence in Psychotherapy Winner Clara Paz will be held. The poster session is on Friday at 17:30–18:30.

On Saturday, there is the Past Editors Lunch at 12:00–13:00. Interest Section Meetings will take place at 08:30–10:00 (“Culture and Psychotherapy”), 13:15–14:45 (“Therapist Training and Development”), 15:00–16:30 (“Case Study”), and 17:00–18:30 (“Complexity Science in Psychotherapy” and “Psychotherapy Research and the Climate Crisis”). The conference ends on Saturday with the Closing Banquet, 19:00–23:30 at the Wynkoop Brewing Company, a pioneer on the American beer landscape and the first brewpub in Colorado, founded in 1988.

Coffee will be available throughout the conference with scheduled coffee/tea breaks in the mid-morning and mid-afternoon. Lunch will be available from 12:00 to 14:00 on Thursday and from 12:00 to 13:00 on Friday and Saturday.

Please visit our Online Program Schedule for more details.

We are happy to have you joining us virtually or in-person in beautiful Denver.

Jesse Owen, Chair, Local Organizing Committee
CE Credit

SPR is pleased to offer Continuing Education (CE) credits through the Society for the Advancement of Psychotherapy – APA Division 29. The Society for the Advancement of Psychotherapy – APA Division 29 is approved by the American Psychological Association to sponsor continuing education for psychologists. The Society for the Advancement of Psychotherapy – APA Division 29 maintains responsibility for this program and its content.

CE Credit is granted to participants with documented live attendance at individual workshops, meetings, and panels (marked as CE in the program) and completed evaluation forms for those sessions. Attendance is monitored. Credit will not be granted to registrants who are more than 15 minutes late, are absent for more than 15 minutes during a session, or those who depart more than 15 minutes early from a session.

All session evaluation forms will be completed online. Credit will not be granted to registrants who do not submit a completed evaluation form. It is the responsibility of registrants to comply with these requirements. It is the responsibility of the registrants to determine whether these CE credits are valid in their state of licensure.

Registration for CE credits can be done when registering for the conference or by contacting the Executive Officer at sprexecutive@gmail.com after registering. The fee is $60 usd.

Cancellation Policy: Full refund for a cancellation of CE purchase received prior to July 1, 2022. No refunds are given for cancellations received after July 1, 2022.

Complaint Procedure: Should you wish to file a formal complaint about the CE process, please visit the Society for the Advancement of Psychotherapy’s website: http://societyforpsychotherapy.org/ for complete instructions.
