Dear Colleagues,

It is with great pleasure that we welcome you to the **56th International Annual Meeting of the Society for Psychotherapy Research**. We are delighted to host this conference at the historic Jagiellonian University in Krakow, Poland. It is an honour to announce that the **Polish Psychiatric Association** and the **Department of Psychotherapy at the Jagiellonian University Medical College** are supporting this event.

As an international and multidisciplinary organisation, SPR has a long-standing tradition of promoting inclusivity. This is why the theme of this conference, ***Psychotherapy Research–Practice Integration: Who Are the Voices We Need to Hear?*** is especially close to our hearts. This meeting provides an opportunity for us to come together to identify and discuss what is needed to build on this tradition and to enhance equality, diversity, and inclusion in both psychotherapy research and practice.

On behalf of the Conference Program Planning Committee, we would like to thank all of you for the outstanding submissions of Panels, Brief Papers, Structured Discussions, Posters, and Pre-Conference Workshops. It is a joy to see that so many of these contributions speak to the theme—whether directly or by incorporating it into broader discussions.

Venue: The in-person meeting will take place at the Auditorium Maximum, Jagiellonian University, Krupnicza 33, 31-123 Krakow, Poland and at the Didactic Centre of the Faculty of Law and Administration JU. As shown on the maps below, activities will take place in these two adjacent buildings: the “Main Building” and the “Law Building”.

Online sessions: Once again, we are running an **online stream** in parallel with our in-person meeting, allowing registrants to present their work and attend virtually. These will be held via Zoom and take place within the same time frame as the in-person meeting.

Time Zone: All times in the programme are shown in local time (Central European Summer Time: GMT+2).

Live stream/recording: We will livestream and record the Opening Ceremony, selected pre-conference workshops, all six plenary sessions, the General Meeting and all presentations and structured discussions taking place throughout the conference in the following rooms of the main building: Aula Duża A, Aula Duża B, Aula Średnia A, Aula Mała, and Sala Seminaryjna. This setup allows online participants to choose between five parallel sessions and enables all registrants to view the recordings afterward. Please note that these recordings are available exclusively to conference attendees and will not be shared with the public.

Accessibility

Both buildings offer good accessibility, including elevators. The only rooms that may be somewhat more difficult to access are LB Aula A and LB Aula B. If you require assistance, please inform a member of the Local Organising Committee.

Program Structure

The program begins on Wednesday, 25 June, with 11 Pre-Conference Workshops:

- 5 in the morning (09:00–12:00)
- 5 in the afternoon (13:00–16:00)
- 1 all-day workshop (9:00 – 16:00)

The Opening Ceremony starts at **17:00** and includes the Presidential Address, the Awards Ceremony, and a reception.

Each day, the scientific program begins at **08:30** with presentations and concludes with poster sessions at 19:35 on Thursday and Friday. The program ends on Saturday at 16:00, followed by our traditional banquet at 20:00 at Stara Zajezdnia – The Old Depot Restaurant (Św. Wawrzyńca 12, 31-060 Kraków).

The six **plenary sessions**, which directly address this year's theme, will take place on Thursday afternoon at 14:00 and Friday morning at 8.30am.

Meetings:

- Chapter Meetings and Area Affiliate Meetings are scheduled for Thursday lunch time
- The General Meeting will be held on Friday at 14:15
- Special Interest Section Meetings and the “Meet the Editors” session will take place on Saturday at 12.30.

Posters will be available both in person and online—we encourage you to explore them on both platforms! Following the success from last year, this year too a past president will discuss the online poster sessions.

Students/First-time attendees

SPR welcomes students and first-time attendees! You can connect and get oriented by attending a small get-together organized by ComCom in collaboration with the Student Committee. Student Committee members wear identification or color-coded tags. Please say hi and get connected.

The Student Committee has also organised another legendary pub night out after Friday's poster session at Viva La Pinta. They have also organised two structured discussions aimed at students/postdocs: Navigating Academia: Building Your Career Path (Thursday, 11:00), and Mental Health in Academia (Friday, 15:45).

Coffee & Lunch

Coffee stations in both buildings will serve coffee, tea, and water throughout the day. Each day includes a scheduled lunch break (please note varying times).

- A hot and cold lunch buffet will be served in the Sala Wystawowa on Thursday and Friday
- A boxed lunch will be provided on Saturday
- Designated seating areas are available both indoors and outdoors. Kindly refrain from bringing food or drinks into the presentation rooms.

Children's Corner

For the first time at SPR, we are offering a supervised space where your children can play. It is located on the ground floor, to the left of the main entrance, and will be open from Wednesday through Saturday. More information is available on our website and at reception.

We aimed at making the meeting as environmentally friendly as possible. We kept prints to a minimum, suggested hotels and the banquet are within walking distance, we use eco-friendly tableware, and leftover food can be taken home, and surplus will be donated to a local charity.

SPREDUCE would like to highlight our project calculating the carbon footprint of this conference using the transportation question on the conference registration page. Our goal is to evaluate environmental impact changes, with the aim of improving future conferences. (We will send out a consent form to use the data after the conference).

Information about the banquet, what to do in Krakow, and other useful information can be found on our website: <https://www.psychotherapyresearch.org/page/spr2025>

Social Media

Stay updated on conference activities via the **SPR Instagram (@sprofficial1)** and **Bluesky (@sprofficial.bsky.social)** accounts, and the official conference WhatsApp group:

Huge “Thank You!”

We would like to express our heartfelt gratitude to everyone who made this meeting possible through their initiative, dedication, brilliant ideas, and hard work!

Finally, thank you—dear conference delegates and presenters—for your attendance and contributions. We wish you a rich and enjoyable conference experience!

Felicitas Rost, Chair Scientific Program Committee

Michał Mielimaka, Chair Local Organizing Committee

CE Credits

SPR is pleased to offer Continuing Education (CE) credits through the Society for the Advancement of Psychotherapy – APA Division 29. The Society for the Advancement of Psychotherapy – APA Division 29 is approved by the American Psychological Association to sponsor continuing education for psychologists. The Society for the Advancement of Psychotherapy – APA Division 29 maintains responsibility for this program and its content.

CE Credit is granted to participants with documented live attendance at individual workshops, structured discussions, and panels (marked as CE in the program) and completed evaluation forms for those sessions. Attendance is monitored. Credit will not be granted to registrants who are more than 15 minutes late, are absent for more than 15 minutes during a session, or those who depart more than 15 minutes early from a session.

All session evaluation forms will be completed online. Credit will not be granted to registrants who do not submit a completed evaluation form. It is the responsibility of registrants to comply with these requirements. It is the responsibility of the registrants to determine whether these CE credits are valid in their state of licensure.

Registration for CE credits can be done when registering for the conference or by contacting the Executive Officer at sprexecutive@gmail.com after registering. The fee is \$60 USD.

Cancellation Policy: Full refund for a cancellation of CE purchase received prior to June 10, 2025. No refunds are given for cancellations received after June 10, 2025.

Complaint Procedure: Should you wish to file a formal complaint about the CE process, please visit the Society for the Advancement of Psychotherapy's website:

<http://societyforpsychotherapy.org/> for complete instructions.
