

There are many clinics in our community that open their doors to care for uninsured patients. These clinics provide caring and quality health care within their facilities.

If your clinic doctor decides you need to see a specialist, they may refer you to Access Now to coordinate this care.

Our care coordinators will connect you with a specialist when requested by your clinic.

Our physicians volunteer to see you at no charge in their office if we schedule your appointment.

A program of the Richmond Academy of Medicine
Open Monday – Friday; 8 AM – 4:30 PM

Access Now is a community solution to help provide specialty care for the uninsured in Richmond.

Our doctors do not receive payment for their services. They donate their services for patients who have no health insurance and are referred by Access Now.

You may qualify for Access Now If:

- You have **no health insurance** (Including Medicaid/Medicare)
- You meet income guidelines
- You have been a resident of one of the following localities for at least 6 months:

Amelia County, Caroline County, Charles City County, Chesterfield County, Cumberland County, Dinwiddie County, Essex County, Gloucester County, Goochland County, Hanover County, Henrico County, Isle of Wight County, King and Queen County, King George County, King William County, Lancaster County, Louisa County, Mathews County, Middlesex County, New Kent County, Northumberland County, Powhatan County, Prince George County, Richmond County, Southampton County, Surry County, Sussex County, Westmoreland County, City of Colonial Heights, City of Hopewell, City of Petersburg, City of Richmond, Town of Ashland
- You are currently receiving primary care from a participating safety net clinic. (See opposite page)

To receive specialty care through Access Now, you must **enroll as a patient with a safety net clinic. (Partial list below*)**
