CREDENTIALS
VERIFICATION
SERVICE, INC

Welcome to CCVS

Centralized Credentials Verification Services, Inc. is committed to providing affordable and accurate credentialing verifications that you can trust. If you are seeking a secure solution for verification that will boost your productivity and efficiency, CCVS offers a one-stop, customizable approach. We provide primary source expert solutions for hospitals, ambulatory care centers, and physician practices. And we help managed care organizations and other healthcare entities that require credentialing for their providers. If you have insurance enrollment needs, require assistance with onboarding a new provider, or any credentialing needs, we stand ready to help.

Trust the CCVS team to provide *accurate verification of credentials for your practitioners*. We are confident in our ability to handle all aspects of your credentialing needs and will assist in creating a centralized format for large or multi facility organizations.
