## New Member Announcement

**Dermatology Associates of Virginia  
is pleased to welcome**

**Rebecca S. Kaiser, MD**

Dr. Rebecca Kaiser has joined the Dermatology Associates of Virginia team! Dr. Kaiser joins the group after completing her residency at the University of Chicago where she served as chief resident. She received her medical training at the University of Chicago Pritzker School of Medicine following her undergraduate experience at the College of William & Mary and The University of Chicago, where she received a B.A. in Russian Studies.

Dr. Kaiser feels honored to assist patients through their specific challenges, and is thrilled by the ever-innovating field of dermatology. When not helping patients feel and look their best, she can be found baking or chasing after her toddler.
