

Richmond Academy of Medicine

New Member Announcement

**Pediatric Associates of Richmond
is pleased to welcome**

Ashley A. Sullivan, M.D.

Dr. Ashley Sullivan joined Pediatric Associates of Richmond in July 2018. She grew up in Memphis, Tennessee before pursuing her Bachelor of Arts in History at Mississippi State University where she graduated summa cum laude.

Dr. Sullivan attended medical school at the University of Mississippi where she was nominated and inducted into the Gold Humanism Honor Society for compassionate patient care. She moved to Richmond for her pediatric residency at Virginia Commonwealth University. During residency she was awarded the Emily Gardner award by faculty and her peers due to exemplifying dedication to her patients and their healthcare. Dr. Sullivan and her husband fell in love with Richmond during their residency training and are excited to be working as physicians in RVA!

In her free time, she enjoys reading, doing outdoor activities (including hiking, kayaking and running), and baking sweet treats for her family and friends. She also is an avid college football fan and loves cheering for her Mississippi State Bulldogs!

**Please join us in welcoming
Dr. Ashley Sullivan
to the Richmond Academy of Medicine**
