

Richmond Academy of Medicine

New Member Announcement

**Radiology Associates of Richmond
is pleased to welcome**

Khalil Zahra, MD

Dr. Khalil Zahra is excited to join Radiology Associates of Richmond where he will be part of their Neurovascular Service. This service provides Neurovascular Surgery/ Neurointerventional Radiology 24 hours a day, 7 days a week.

As part of this team, Dr. Zahra will deal with the endovascular management of acute stroke (neurothrombectomy), the endovascular repair and management of ruptured and unruptured intracranial (berry) aneurysms, carotid stenting, pre-operative embolization of intracranial and head and neck tumors, epistaxis management, neurovascular and head and neck trauma and many more vascular diseases of the brain and spine (including spinal AVMs and the treatment of spinal compression fractures).

Dr. Zahra completed his medical education at the University of Jordan, where he also completed a transitional year internship. He also completed an internship at the Arab Center for Heart & Special Surgery where he served as House Officer. He completed his Internal Medicine residency at University of Minnesota and his radiology residency at University of Iowa. Dr. Zahra is a dual-fellowship trained radiologist, having completed a neuroradiology fellowship at University of Pennsylvania and an interventional radiology fellowship at Stanford University Medical Center. He is board certified in both diagnostic radiology and neuroradiology. He is also multilingual in English, Arabic and French.

For in-hospital consultations with Dr. Zahra, a physician-to-physician consult can be entered into Meditech. The nursing staff can inform the doctors of the consultation by calling the Johnston-Willis Hospital operator. For outpatient consultations, please call 804-864-8346 (Richmond Vascular Center) to arrange for an office visit.

**Please join us in welcoming
Dr. Khalil Zahra
to Richmond Academy of Medicine**
