## New Member Announcement

Virginia Physicians for Women  
is pleased to welcome

**Natalie M. Dogal, MD**

Strength. Care. Connection. These three words embody why Dr. Dogal wakes up loving what she does on a daily basis. Passion for her job along with genuine eagerness has brought her to VPFW – and they could not be more excited! She strives to provide women in all stages of life with quality care and empathize with their unique and personal situations.

Dr. Dogal received her medical degree from Pennsylvania State University College of Medicine. She then completed her Obstetrics and Gynecology Residency at University of Virginia Medical Center. She is a member of the American College of Obstetricians and Gynecologists as well as the Alpha Omega Alpha Honor Medical Society.

Dr. Dogal says, “Delivering babies is one of my happy places! Who else gets to do a surgery where they get a prize, aka baby, at the end?” Other happy places for Dr. Dogal include hanging out with her 4 younger siblings, kayaking, hiking, cooking and these days playing the ukulele.
