

Richmond Academy of Medicine

New Member Announcement

Virginia Physicians for Women
is pleased to welcome

Rebecca H. Schnatz, DO, FACOG

Dr. Schnatz is excited to be a new resident of Richmond! She and her husband relocated here recently from out-of-state with their two young children. After finishing medical school in Erie, PA, Dr. Schnatz completed her Ob/Gyn residency in Pittsburgh and has been in private practice for the past six years. She enjoys outdoor activities, traveling, soccer, cooking and spending time with her family.

Being the first in her family to pursue a career in medicine has been a rewarding experience for Dr. Schnatz. She considers herself lucky to be able to practice as an Ob/Gyn and provide care to women throughout their lives. She has a special interest in patient education & prevention, minimally invasive surgery, prenatal care and menopause support.

She is board certified by the American Board of Obstetrics and Gynecology (ABOG) and sees patients at the Virginia Physicians for Women St. Francis office.

Please join us in welcoming
Dr. Rebecca Schnatz
to the Richmond Academy of Medicine
