New Member Announcement

Virginia Cancer Institute
is pleased to welcome

Angela VanLandingham, MD

Dr. VanLandingham began her medical career as a Physical Therapy Assistant in Lufkin, Texas. After graduating magna cum laude from Stephen F. Austin State University in Texas, she went on to earn her medical degree from University of Texas at Houston.

Dr. Angela VanLandingham has worked for the Virginia Cancer Institute as a hematology and oncology physician since 2017. Her approach to fighting cancer is one that involves constant action; she works tirelessly to ensure her patients receive the best and most well-rounded care. Her conscientious work ethic and dedication to each of her patients makes her a standout in the field of oncology. Dr. VanLandingham is board certified in both internal medicine and medical oncology.
