

The Restoration Industry Association Day at AUSCLEAN Pulire

20 October 2015

Jupiter's Hotel & Casino | Gold Coast, Australia

Kevin Fisher, Education Manager Restoration Sciences Academy (RSA)

Kevin Fisher is the Education Manager for the Restoration Sciences Academy (RSA). Kevin is an approved IICRC instructor in the categories of Applied Structural Drying (ASD) and Water Damage Restoration (WRT), and is the co-author of *The New Guide to Restorative Drying* and many other industry publications. He has been actively involved in educating restoration professionals since 1999. Kevin is a certified Master Water Restorer, Master Fire and Smoke Restorer and a Water Loss Specialist. He holds a Masters degree in Curriculum and Instruction from Tennessee Technological University, and spent nine years teaching science at the secondary and college level before joining the restoration industry.
