2020 Rocky Mountain Water Conference

September 13 -16
Loveland, CO

Important Notes:

- Separate abstract forms must be submitted for each proposed presentation. Multiple presentations must not be submitted on a single form. If a "Special Session" with multiple presentations is proposed, in addition to submitting separate abstract forms for each presentation, an email should be sent to the co-chairs of the Conference Technical Program, Andrea Song (andrea.song@denverwater.org) and Victor Sam (Victor.Sam@stantec.com) highlighting details of the topic and listing which presentations are to be included in the session.
- Presenters will be allowed 20 to 25 minutes for their presentation. Please plan to include 5 minutes for Q&A at the end of your presentation.
- Presenters will be required to register and pay for the conference by August 1st. Failure to do so will result in the presentation being cancelled.
- All abstracts submitted will receive a response.
- If your abstract is accepted, an acceptance email will be sent to you indicating acceptance. Please respond with your commitment to attend and present at the conference in order for us to complete the conference program.
- By submitting an abstract the presenter agrees that he/she will provide a substitute presenter in the event they (for emergency reasons) are not able to attend the conference.
