Dear Rocky Mountain Section AWWA Members and Friends:

In an effort to prevent the spread of the coronavirus (COVID-19) we have cancelled all in-person Rocky Mountain Section AWWA (RMSAWWA) meetings and training events now through at least the end of April. Our commitment to protecting the health of our communities and everyone involved in our activities makes it vitally important for us to take appropriate safety measures.

All registered attendees of RMSAWWA training events will receive notice of event cancellations. We will work with our committees and venues to reschedule events on a case-by-case basis. You will find details related to cancellations or postponements on the [RMSAWWA website](#). Our office staff remain accessible during this time to assist our members as usual. Should you have any questions, please contact Ann Guiberson at 720-404-0818 or email: info@rmsawwa.org.

We will continue to evaluate our programming and make adjustments using information and recommendations from the [Centers for Disease Control and Prevention \(CDC\)](#) and other government resources in Colorado, New Mexico and Wyoming and on the national level. We will keep in touch through email updates, social media and our website should further actions or cancellations be needed.

Thank you for your participation in Rocky Mountain Section activities and events. We appreciate your understanding and support, knowing that you all are dealing with many disrupting challenges now and for the immediate future. Please do your best to stay safe and stay healthy.

Respectfully,

Stephen Gay
Chair, RMSAWWA
