Dear Ms. Markham:

The Department of National Capital Region proudly nominates Captain Robert H. Carmack, USCGR (Ret.) for the position of National Vice President, Naval Services.

Captain Carmack retired from the Coast Guard Reserve in 2013 after 30 years combined active and selected reserve duty, serving in numerous Senior Reserve Officer and Command positions throughout his career.

He has served in numerous elected ROA leadership positions in the past 27 years at all levels of our great organization, including Chapter Treasurer and President, Department Treasurer, Vice President and President and as National Executive Committeeman, Naval Services (Coast Guard seat). He also has served as Chairman of the Coast Guard Affairs Committee. Currently he serves as the Department of National Capital Region's National Councilman and is an active member of the Insurance and Financial Services Committee.

Captain Carmack's service, dedication and devotion to ROA makes him very qualified to serve on the National ROA leadership team.

Respectfully,
