Dear Ms. Markham:

It is with pleasure that the Department of the National Capitol Region nominates CAPT Robert (Bob) Carmack for ROA National President for the term 2021-2023.

Bob joined ROA in January 1990 as a Life Member of the ROA. For over thirty years he has held a variety of Chapter, Department and national leadership and committee positions. His leadership role includes Chapter President, Department President, National Council and National Executive Committee. He also served in a variety of other positions to include treasurer, vice president and legislative chairman.

Bob joined the Coast Guard in 1983 as a commissioned officer and then in 1989 he transferred to the Coast Guard Reserve until he retired in June 2013 after 30 years of military service. Bob currently serves as a Senior Technical Specialist where he carved out a second career with 22 years at Ventera Corporation.

His professional experience and leadership skills make him an ideal candidate for National President

Very respectfully,

Susan E. Lukas
