The Honorable Mike Rounds
United. States. Senate
Washington, DC 20510

Dear Senator Rounds:

The Reserve Officers Association of the United States supports S. 394, ‘‘Protect Our Military Families’ 2nd Amendment Rights Act’’ to expand receipt of firearms to military spouses.

ROA believes spouses should have the same right to purchase firearms and receive them on military installations as currently applies to military members. This Title 18 change would apply to spouses of Guard and Reserve members when they are on active duty orders.

ROA has a membership of 50,000 and is the only national military association that exclusively supports all the uniformed reserve components of the United States. Thank you for your efforts on this issue, and your support of our veterans. Please have your staff call Susan Lukas, ROA’s legislative director, at 202-646-7713 or e-mail at slukas@roa.org with any question or issue you would like to discuss.

Sincerely,

Jeffrey E. Phillips
