

Trading Partner Collaboration Groups

Whether you're struggling with posting changes to your current site on a timely basis due to IT resource limitations or you're able to post documents but lack the ability to communicate with your supplier base effectively, RVCF can offer you a solution. RVCF members can now take advantage of the enhanced functionalities available through the RVCF website with a **Trading Partner Collaboration Group**.

A Trading Partner Collaboration Group is a secure, online group designed specifically for you and your merchandise suppliers. Within the Group, you can perform the following functions:

- ✓ Create custom content pages for shipping requirements, compliance information, and more
- ✓ Store and maintain files for sharing and reference
- ✓ E-mail or message your supplier base in real-time when changes occur
- ✓ Blog about updates, news, and initiatives
- ✓ Use forum boards for communication with and amongst suppliers
- ✓ Maintain a calendar of events
- ✓ Ensure your supplier contact information is up-to-date and accurate

Plus, you are in control of the group with the ability to decide who has access, what functionalities you'd like to use, and when content is updated.

With support from the RVCF staff, we'll help you set up and maintain your group, ensure its integrity, and even validate and onboard your supplier base.

For more information about Trading Partner Collaboration Groups, please click [here](#) to contact us. Online demonstrations are available.

[Black Hanger Initiative](#)

Posted By Demo Stores Compliance Department, Friday, November 11, 2011

 [Edit Post](#)
 [Delete Post](#)

Demo Stores is transitioning from clear hangers to black matte hangers. Suppliers should begin applying the new hangers for deliveries this fall, adhering to a conversion deadline of 1/1/12.

Black matte hangers are a positive move for our environment and support our sustainability efforts.

Additionally, Demo Stores will be requiring Secure Over Hanger (SOH) sizers for all hanging garments in merchandise categories being converted to black matte hangers.

Please communicate the information about this initiative to the applicable parties in your organization so we can ensure a smooth transition takes place.

Thank you for your ongoing support.

Subject: Packing List Requirements

We'd like to gather information from our suppliers about their capabilities to provide a replacement ASN in lieu of paper packing lists. Should a sufficient number of suppliers respond positively to this request, Demo Stores will begin exempting suppliers confirming this capability from providing paper packing lists with their shipments.

Forum Boards are also available, which can be used to quickly answer questions partners may pose regarding requirements or to allow partners to pose questions to their peers regarding solutions that will help them meet expectations. Partners in your group can also subscribe to forum boards or particular threads to receive instant notifications of postings.

Demo Stores - Supplier Conference

 [Map This Event](#) [Tell A Friend](#)**Demo Stores - Supplier Conference**

9/18/2013 to 9/20/2013

When: Wednesday, 9/18/13 - Friday, 9/20/13
08:00

Where: [Map this event »](#)
The Venetian Resort Hotel Casino
3355 Las Vegas Blvd South
Las Vegas, Nevada 89109
United States

Contact: Ima Retailer
ima_retailer@demostores.com

Details

This year's Supplier Communication Conference will focus on the following initiatives:

- RFID implementation
- TMS enhancements
- Black hanger and SOH sizer cutover
- Direct ship opportunities
- Fill rate improvements
- And more...

Please be prepared to send personnel from each department within your organization that can understand and execute these directives timely.

Each group contains a calendar for events and "save the dates." Registration functionalities are provided, if desired.
