About Our Auction
Exciting News for the RVW Annual Live Auction!

We're auctioning off fantastic items during the final convention dinner—including an Olivia Cruise, timeshares, estate planning packages, and handcrafted quilts!

Can't make it to the convention? No problem! We'll be posting all live auction items right here so off-site members can bid both **before** and **during** the live event.

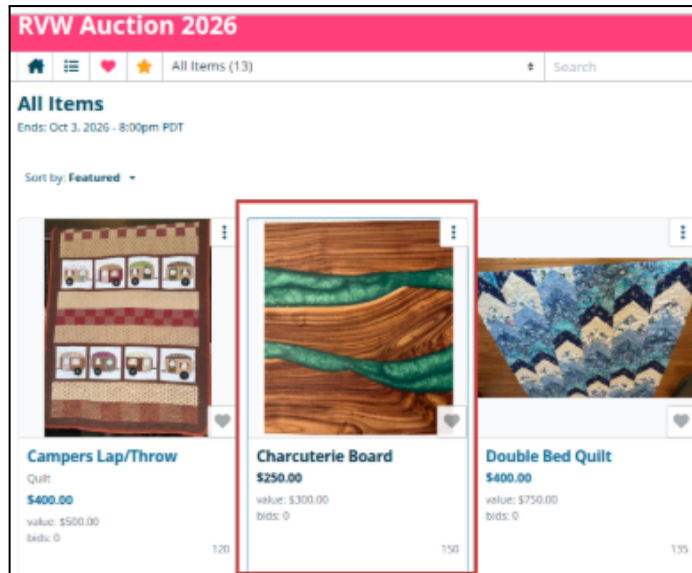

• **Payment:** Each auction item will have an invoice located in the RVW online store. After the auction the invoice will be updated with the final bid so you can pay through our usual online process. Alternatively, winners who prefer to pay by phone can call the office.

Live Auction Bidding & Payment

- When the Live Auction segment begins, you will receive an email and/or text notification.
- An on-site volunteer will enter live audience bids directly into the system. You can continue bidding online in real-time; your online bids will be relayed directly to the auctioneer.
- After the final audience bid is entered, online bidders will have a 1-to-2-minute window to submit a final counter-bid. When the item is sold, the auction item will mark as sold and vanish from the auction site.

- If you win an item, you will receive an email confirmation from a volunteer at the convention with the link to the invoice. Click the link provided in the email to complete your payment, confirm your email, and provide your shipping address. If you lose the email, you can get to the invoices by way of the RVW Online Store. At the bottom of the page you will find a button for the auction items convention only. Click on the on Auction Items button. Select your item and pay.

Note: As this is our first online auction with this site, please be patient with us. We will try to reach out to all bidders by email or text at the beginning and conclusion of the event.
