2018 Online Membership Directory

Search For RVW member—anytime, anywhere!

Use this online directory [search form](#) for the latest membership information. **click on the word search**

This directory is only available to RVW members in good standing that are logged-in as a member. It can not be accessed by the public.

Now you can access the [2018 Membership Directory](#) online.

Online Directory

Enter anything you may be searching for in any field.

You can search one or more fields to narrow your results. You do not need to complete the entire form.

Example:

Name: Members full name, first or last only if not sure (once found, double click on name for information)

Location: Arizona

City/Town: Apache Junction

Group: Chapter will list all members in that chapter

Hobbies/Interests: Birding

Remember to uncheck or remove data from one of the fields if you can't find what you are looking for.

Example:

Hobbies/Interests: Birding

Forgot to remove Arizona? Results show only those who entered birding in Arizona. Remove Arizona from field and leave birding only. You then get results of entire membership that enjoys birding as a hobby.
