

CONFERENCE BINGO DIRECTIONS

Join us for a fun and interactive game of Bingo during the 2025 Safe States Virtual Conference! The Membership Development Committee will kick off the game on Monday, September 8, during the pre-conference Membership Mixer: Kickoff & Bingo. Conference participants will have the opportunity to meet, discuss the game, and complete the final open squares on their Bingo cards, which will be included in your conference mailing.

*If you cannot attend the mixer, please fill in the five open squares with personal goals you would like to set for yourself during the conference.

During the conference, participants will track their cards and mark squares using the honor system. If you complete a Bingo (five squares in a row, either straight across or diagonally), please scan and email your card to Christa Thelen, Program Manager at Safe States, by 12:00 PM ET on September 11 to be entered into a random drawing. Winners will be notified and announced through Safe States communications.

Contact Christa.Thelen@safestates.org with questions.
