

Injury Research Faculty Position Available

The Center for Injury Research and Policy, located in the Abigail Wexner Research Institute of Nationwide Children's Hospital and affiliated with The Ohio State University in Columbus, Ohio, is seeking applicants for a tenure track faculty position in injury and violence research.

POSITION

- Faculty members have an appointment in the Department of Pediatrics of The Ohio State University College of Medicine.
- Joint appointments in other departments and colleges within the university are easily arranged.

QUALIFICATIONS

- Applicants should have a doctoral degree in the public health, medical, or related field, and a track record in research productivity.
- Applicants will be considered at the Assistant, Associate, and Full Professor levels.
- Applications from mid-career researchers are strongly encouraged.

BENEFITS

- Salary and benefits are very competitive and are based on experience and academic rank.
- An attractive startup package will be tailored to the faculty member's needs.

Nationwide Children's Hospital and The Ohio State University are affirmative action/equal opportunity employers.
