SAVIR\(^5\)-Safe States Alliance\(^7\) Joint Committee on Infrastructure Development

**Vision:** To reduce mortality and morbidity from injury in the United States through enhancement of the training infrastructure for state, local and tribal health departments and their diverse partners.

From 2000-2005, the Safe States Alliance and the Society for the Advancement of Violence and Injury Research (SAVIR) lead the effort to enhance the injury prevention training infrastructure in the United States.

The Maternal and Child Health Bureau (MCHB) and the National Center for Injury Prevention and Control (NCIPC) at CDC provided funding to support the initiative.
