  - Mtg 3: action plan

Support and Guidance
Legislative Authority

Section 401.243, Florida Statutes, was created and states the Department of Health shall establish an injury prevention program with responsibility for the statewide coordination and expansion of injury prevention activities.

Section 381.0011, Florida Statutes, was amended to include maintenance of the statewide injury prevention program.

Survival
2005

The Universe Aligned

- June 2005 - Injury Prevention Advisory Council Inaugural Meeting
- August 2005 - Received CDC Core Funding
- September 2005 - State Technical Assessment Team Visit
