

A VIRTUAL SUMMIT FOR CA HR PROFESSIONALS

Sponsorship Prospectus

Sacramento Area Human Resource Association (SAHRA) and San Diego SHRM, California's two SHRM Mega Chapters, have teamed up to put on the biggest virtual HR Conference of the year! Taking place September 9 through September 30, 2020, attendees will participate in 4 live and 20 recorded sessions with the option to earn up to 24 SHRM and HRCI recertification credits.

Why Sponsor?

During the trying times in the world today, we understand that it is difficult for companies to gain exposure with HR professionals. As SAHRA and San Diego SHRM transition their in-person fall conferences to a virtual offering, you will get a great opportunity to increase your visibility, build name and brand recognition, and get the exposure to support you through this unprecedented time.

In-person conferences are continually being cancelled. It is the goal of SAHRA and San Diego SHRM to support HR professionals during this time and continue to provide valuable and relevant education at a reasonable cost not only to our respective memberships, but to all HR professionals in California. The 2020 Mega HR Conference will be opened up to fellow SHRM sister chapters in California to boost attendance and support our fellow SHRM affiliated chapters.

With an estimated attendance of more than 600 HR professionals, this conference will be the go-to virtual conference for HR professionals in California! Don't miss out on this great opportunity to be a part of the 2020 Mega HR Conference!

Who We Are...

SAHRA and San Diego SHRM are local affiliate chapters of the national Society for Human Resource Management (SHRM), which both operate independently with our own unique membership.

Sacramento Area Human Resource Association has more than 550 members, 85% of which are practicing HR professionals, 7% are Partner members which provide a product or service to HR practitioners, 8% are Student members. SAHRA has provided resources and services to HR professional across the Sacramento area since 1956.

San Diego SHRM has more than 600 members, 84% of which are practicing HR professionals at all levels from companies of all sizes. 9% are Partner members which provide a product or service to HR practitioners. 7% are Student members. Established in 1945, San Diego SHRM is the most established HR society in San Diego County. The San Diego SHRM Community has provided human resource professionals with the resources they need to excel in their careers for 75 years.
