

Delegates' Comments

**2 Day Workshop No. 03
Entitled**

Steam Distribution; Pipeline Ancillaries; Steam Flow Metering; Desuperheating

The workshop is facilitated by Mr. Malcolm Black, B.Sc.(Mech.Eng.), G.C.C., MSAIMechE, Th B.

PK: The course was well presented. Over all extremely good. Recommendable to all engineers & technicians working with steam.

FW: the course was very helpful & interesting
